ANTICO CASALE

Antico Casale takes inspiration from Italian romanticism. The love for craftsmanship in Tuscany, such as that carried out in Montelupo Fiorentino since the 13th century, has been the key to creating this collection.

With an undeniable friendly presence, it unfolds its magnificence with spectacular decorations that project a blend of cultures and art. Thus, Antico Casale becomes a distinctive testimony, an authenticity so rare that it attracts and captivates design professionals with just a glance.

Antico Casale se inspira en el romanticismo italiano. El amor de la toscana por el trabajo artesanal, como el realizado en Montelupo Fiorentino desde el siglo XIII, ha sido la clave para llevar a cabo esta colección.

De innegable presencia afable, despliega su magnificencia con decorados espectaculares que proyectan una mezcla de culturas y arte. Así, Antico Casale se convierte en un testimonio distintivo, una autenticidad tan inusual que atrae y conquista a los profesionales del diseño con solo mirarla.
