CARMEN TRUE TILES

— Reality

A small-format collection of 75x30cm, but with an enormous decorative spirit. This is Reality. The design highlights effects and glazes that are classically ceramic, but with a contemporary touch, thanks to the updated colors. Geometry and volumes give it a unique personality.

Una colección de formato pequeño de 75x30 cm., pero con un enorme espíritu decorativo, así es Reality. El diseño destaca efectos y esmaltes clásicamente cerámicos, pero con un toque contemporáneo gracias a la actualización de los colores. Las geometrías y los volúmenes le dan una personalidad única.

Imperfectly perfect!

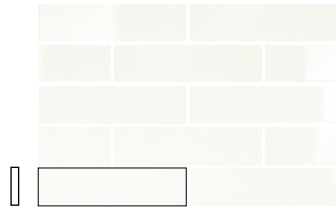

A collection with a metro-type tile, but with incredible volumes. Reality is composed of 4 pieces: one flat, one with a concave central geometrical thickness, one convex and one with a double geometry, doubling the stakes. A design specially conceived to mix both thicknesses with a dazzling result. This collection stands out for its fiercely contemporary color palette and the classic ceramic effects of the enamels on its surface.

¡Imperfectamente perfecta!

Una colección con azulejo tipo metro, pero con unos volúmenes increíbles. Reality está compuesta de 4 piezas, una lisa, otra con un volumen geométrico central cóncavo, otro convexo y otra que dobla la apuesta con una geometría doble. Una propuesta especialmente diseñada para mezclar ambos volúmenes con un resultado deslumbrante. Esta colección destaca por una paleta de color rabiosamente contemporánea y los efectos cerámicos clásicos de los esmaltes en su superficie.
