# OCEAN

Superfici addolcite dalla  
pazienza delle onde dell'oceano.  
Delicati rilievi e smalti ricercati.  
I colori naturali sembrano rubati al sale,  
alla sabbia, alle acque e creano sfumature e  
sovrapposizioni di  
materie e tonalità che danno vita ad  
una eleganza naturale che ci fa vivere in  
armonia con la natura.  
Ampio corredo di mosaici, bricks e formati  
che permettono di creare combinazioni  
originali perfette  
per il vivere contemporaneo.

Surfaces softened by the  
patience of the ocean waves.  
Delicate relief patterns and  
exquisite glazes.

Natural colours evoking  
salt, sand and water create  
subtle shade variations and  
overlappings of materials and  
colours, generating a natural  
elegance that puts us in tune  
with nature.

A large assortment of  
mosaics, bricks and sizes offers  
the potential for original  
compositions, perfect for the  
contemporary lifestyle.

Des surfaces adoucies par la  
patience des vagues de l'océan.  
Des reliefs délicats et des  
émaux raffinés.

Les couleurs naturelles, comme  
dérobées au sel, au sable, aux  
eaux, créent des nuances et  
des superpositions de matières  
et de tonalités qui donnent  
naissance à une élégance  
naturelle pour nous faire vivre  
en harmonie avec la nature.

Large gamme de mosaïques,  
de briques et de formats  
qui permettent de créer  
des combinaisons originales,  
parfaites pour la vie  
contemporaine.

Oberflächen, die von den  
geduldigen Wellen des Ozeans  
geschmeidig gemacht wurden.  
Zarte Reliefs und raffinierte  
Emaillen.

Die natürlichen Farben  
scheinen vom Salz, Sand und  
Wasser gestohlen worden zu  
sein und bilden Nuancen und  
Überlappungen von Materien  
und Farbtönen, die eine natürliche  
Eleganz zum Leben erwecken, die  
uns in Harmonie mit der Natur  
leben lässt.

Eine große Auswahl an Mosaiken,  
Bricks und Formaten, die  
es ermöglichen, originelle  
Kombinationen zu schaffen, die für  
das Leben des Zeitgenössischen  
perfekt sind.
