Al pari dei materiali naturali di riferimento, l'aspetto estetico, la differenza di tono e le venature possono essere diverse da piastrella a piastrella. Per una corretta comprensione della variabilità del prodotto è consigliabile prendere visione delle immagini a tutto ambiente sul catalogo di collezione, sul nostro sito all'indirizzo [www.casalgrandepadana.it](http://www.casalgrandepadana.it) o chiedere maggiori informazioni ai nostri concessionari.

Just like the natural materials they are inspired by, the aesthetics, colouration and veining of the tiles can differ. To properly gauge the suitability of a product, we advise that you view the full-space photos that you can find in our collection catalogue and on our website at [www.casalgrandepadana.com](http://www.casalgrandepadana.com). Alternatively, please ask a reseller for more information.

Tout comme pour les matières naturelles de référence, la différence de tonalité, les veines ainsi que l'aspect esthétique peuvent varier d'une dalle à l'autre. Pour bien comprendre la variabilité du produit, il est conseillé de consulter les images d'ambiance présentes sur le catalogue de la collection, sur notre site à l'adresse [www.casalgrandepadana.fr](http://www.casalgrandepadana.fr) ou de demander plus d'informations à nos concessionnaires.

Wie bei den als Vorbild dienenden Naturmaterialien können sich auch hier das ästhetische Erscheinungsbild, der Farbtonunterschied und die Maserung von Fliese zu Fliese unterscheiden. Um die Variabilität des Produkts besser zu verstehen, raten wir Ihnen, die Bilder mit ausgestatteten Räumen im Kollektionskatalog auf unserer Website [www.casalgrandepadana.de](http://www.casalgrandepadana.de) zu konsultieren. Weitere Informationen können Sie auch bei unseren Vertragshändlern erhalten.
