BARKWOOD

BARKWOOD, un gres porcellanato che richiama essenze fruttate di legno, dalle cadenze cromatiche calde o neutre e contemporanee, e dall'equilibrato movimento della grafica e dalla leggera struttura di superficie, è una collezione che si sviluppa su assi con tre differenti misure, fra cui, assoluta novità di gamma, quella in 180 cm di lunghezza, ideale soprattutto per rivestire il pavimento di grandi spazi, sia domestici sia commerciali e pubblici.

BARKWOOD, a porcelain tile that recalls the fruity essences of wood, with its warm chromatic or neutral shades, the smooth motion of the graphics, the light surface texture. A collection that develops on planks with three different measures, including the brand new 180 cm size, ideal for covering the floor of large spaces, both domestic and commercial.
