NOTE TECNICHE

Le informazioni contenute nel presente catalogo sono il più possibile esatte, ma non sono da ritenersi legalmente vincolanti.

Per esigenze di produzione ci riserviamo il diritto di apportare eventuali modifiche che si rendano necessarie. Peso, colori e misure sono soggetti alle inevitabili variazioni tipiche del processo di cottura della ceramica.

I colori si avvicinano quanto più possibile a quelli reali nei limiti consentiti dai processi di stampa.

TECHNICAL NOTES

The information contained in this catalogue is correct to the best of our knowledge, but is not construed as legally binding.

We must reserve the right to make changes every time they will be necessary, according to production needs. The governing sizes are subject to the usual variation expected in fired ceramic products.

Colours shows as close as the limitation of the printing process will allow.

NOTES TECHNIQUES

Les informations contenues dans ce catalogue sont aussi précises que possible, mais ne sont pas contractuelles. Nous nous réservons le droit de procéder à toute modification nécessaire pour des raisons de production.

Poids, couleurs et dimensions sont sujets aux variations typiques du processus de cuisson de la céramique.

Les couleurs imprimées se rapprochent le plus possible des couleurs réelles, dans les limites des procédés d'impression.

technical section | section technique

CONDIZIONI DI VENDITA

1.0 APPLICABILITÀ DELLE CONDIZIONI

- 1.1 Le presenti condizioni generali (qui di seguito le "CONDIZIONI") costituiscono parte integrante di tutti i contratti di vendita delle piastrelle ed altro materiale ceramico (qui di seguito "il/i PRODOTTI") a cui sia parte DECOR UNION 2000 (qui di seguito il "FABBRICANTE"). Salvo singoli in casi in cui esse siano state derogate con espresse pattuizioni scritte a firma del FABBRICANTE, esse costituiranno la disciplina esclusiva di tali vendite. Se una o più parti di tali CONDIZIONI o di singoli contratti che le includano risultassero invalide, le CONDIZIONI generali o particolari resteranno valide nel loro complesso; le parti invalide saranno sostituite con pattuizioni che si avvicinino il più possibile alla originaria volontà delle parti.

2.0 CONCLUSIONE DEL CONTRATTO DI VENDITA - CONSEGNA DEI PRODOTTI

- 2.1 Il Contratto si intende concluso al momento in cui il proponente o l'ordinante vengano a conoscenza del consenso scritto della controparte.
- 2.2 L'ordine non confermato per iscritto in nessun caso potrà intendersi accettato salvo esecuzione del medesimo da parte del FABBRICANTE mediante spedizione o consegna dei PRODOTTI ordinati non comporta l'accettazione dell'intero ordine, ma sola di quella parte di PRODOTTI effettivamente consegnati.
- 2.3 Salvo diverso accordo scritto la consegna dei PRODOTTI e la resa degli stessi in Italia ed all'estero avverrà secondo la formula di "Franco Fabbrica".
- 2.4 Salvo diverso accordo, tutte le date indicate come termine di consegna si intendono a titolo indicativo.

3.0 CARATTERISTICA DEI PRODOTTI - GARANZIA - RECLAMI

- 3.1 Le Piastrelle in ceramica ed altri PRODOTTI ceramici fabbricati dal FABBRICANTE sono conformi alle norme europee UNI-DIN-EN. Il FABBRICANTE vende esclusivamente ai rivenditori professionali, i quali sono responsabili della correttezza delle informazioni tecniche fornite agli utilizzatori finali e/o ai negozi al dettaglio. La classificazione del prodotto è indicata dal FABBRICANTE sul materiale pubblicitario e/o sui listini prezzi, l'Acquirente deve di conseguenza utilizzare i PRODOTTI sulla base della classificazione fornita dal FABBRICANTE. Per facilitarne le indicazioni di utilizzo, ed adattare le classificazioni standard alle specificità della produzione del Fabbricante, a fronte di ogni prodotto, nei listini o sui cataloghi sono posti dei segni che indicano l'uso specifico consigliato dal FABBRICANTE.
- 3.2 Le differenze di tonalità non sono un difetto del PRODOTTO bensì una caratteristica dello specifico materiale cotto ad alte temperature. Il particolare requisito di ingelività si applica solo ai PRODOTTI che il FABBRICANTE garantisce espressamente con apposita indicazione sul materiale pubblicitario e/o listini. In mancanza di tale indicazione i materiali ceramici si considerano solo ed unicamente per uso in interni o comunque in locali protetti da intemperie.
- 3.3 I materiali in ceramica con superficie lucida non possono essere utilizzati in locali a piano terreno con accesso all'esterno, né in locali in cui sia previsto un grande calpestio. Le piastrelle brillanti sono inoltre suscettibili di una certa scivolosità, specialmente se bagnate, il FABBRICANTE ne sconsiglia di conseguenza l'uso in locali pubblici. Per i locali ove sia previsto un grande calpestio l'acquirente dovrà acquistare solo i PRODOTTI classificati dal FABBRICANTE come PEI V (IV), ed in particolare quelle piastrelle che il FABBRICANTE consiglia SPECIFICAMENTE per uso in locali pubblici.
- 3.4 Le rappresentazioni dei PRODOTTI sui depliant ed altri materiali pubblicitari del FABBRICANTE sono puramente illustrative e non rappresentano necessariamente il risultato estetico finale di posa del PRODOTTO rappresentato.
- 3.5 Il FABBRICANTE garantisce la buona qualità e l'assenza di vizi nei PRODOTTI forniti. La garanzia non si applica per PRODOTTI classificati dal FABBRICANTE per qualità inferiore a 1° scelta o per partite di PRODOTTI di fine serie, vendute in blocco e segnalate come partite speciali. È comunque prevista una tolleranza del 5%.
- 3.6 Il FABBRICANTE non è responsabile per vizi e/o anomalie rilevate sui PRODOTTI stessi ma all'uso improprio degli stessi da parte degli acquirenti e/o dei suoi aventi causa. In particolare il FABBRICANTE non accetta reclami o contestazioni in relazione alle situazioni precedentemente descritte.
- 3.7 I reclami devono essere comunicati dall'acquirente al FABBRICANTE entro 8 giorni dalla consegna della merce. Per vizi occulti il termine è di 8 giorni dalla scoperta del vizio. In nessun caso il FABBRICANTE risponderà per vizi che vengano denunciati dopo 12 mesi dalla consegna dei PRODOTTI all'acquirente. Per i vizi occulti la garanzia si applica fino a due anni dopo la consegna dei prodotti al primo acquirente e del fabbricante. La denuncia di vizi dovrà essere notificata dal FABBRICANTE tassativamente entro e non oltre 8 giorni dalla scoperta.
- 3.8 In generale la garanzia si applica solo per i vizi rilevati in prodotti non ancora posati. Per eventuali vizi occulti rilevabili solo successivamente alla posa, ai fini dell'applicazione della garanzia, è necessario che il FABBRICANTE accerti che la posa sia stata eseguita a regola d'arte (norme DIN18352).
- 3.9 La garanzia del FABBRICANTE si limita alla sostituzione dei prodotti difettosi con altri dello stesso tipo esenti da vizi, trasporto incluso. È escluso il rimborso di altri oneri e/o spese accessorie e, in particolare i costi di demolizione e posatura dei PRODOTTI. In tutti i casi la garanzia del FABBRICANTE non potrà eccedere cinque volte il valore del materiale contestato, con un massimo assoluto di € 10.000.
- 3.10 Il FABBRICANTE non risponde per reclami dovuti ad una classificazione del materiale ceramico da parte di organismi di controllo e/o certificazione estere, diversa da quella italiana, sulla base di specifiche tecniche che non corrispondano a quelle utilizzate dal FABBRICANTE. Eventuali expertise tecnici attivati dagli acquirenti dovranno necessariamente basarsi sulla conformità del materiale venduto alle specifiche tecniche indicate dal FABBRICANTE in vigore in Italia.

4.0 PREZZI E CONDIZIONI DI PAGAMENTO

- 4.1 I prezzi di vendita dei PRODOTTI sono quelli indicati nel listino del FABBRICANTE in vigore al momento della conferma d'ordine. In casi di contratti di vendita a consegne ripartite il prezzo, se non convenuto fermo per iscritto, sarà quello del listino in vigore al momento delle singole consegne. Per tutti i PRODOTTI destinati all'estero i prezzi potranno essere calcolati, a scelta dal FABBRICANTE, nella valuta estera del paese di destinazione o in euro.
- 4.2 Tutte le spese bancarie e di negoziazioni sono a carico dell'Acquirente. In caso di ritardo dei pagamenti, il FABBRICANTE avrà diritto a percepire, senza alcuna necessità di messa in mora, oltre agli eventuali danni, un interesse moratorio pari al tasso ufficiale di sconto in Italia maggiorato del 5%.

5.0 AGENTI DEL FABBRICANTE

- 5.1 Gli agenti del FABBRICANTE promuovono le vendite e non sono autorizzati ad agire in nome e per conto del FABBRICANTE salvo specifica autorizzazione scritta.
- 5.2 Gli ordini trasmessi dagli agenti non vincolano il FABBRICANTE e devono essere espressamente accettati per iscritto dal FABBRICANTE stesso.

6.0 RISERVATO DOMINIO

- 6.1 È convenuto tra le parti che la vendita dei PRODOTTI è effettuata con riserva di proprietà a favore del FABBRICANTE sino a totale pagamento del prezzo pattuito, ai sensi dell'art. 1523 e seguenti del c.c. Tuttavia il rischio di perimenti della merce passa all'acquirente dal momento della consegna dei PRODOTTI. Nella vendita all'estero, nel caso in cui la merce sia venduta e consegnata a clienti terzi prima del passaggio di proprietà, nell'ambito di normali rapporti commerciali dell'Acquirente stesso, la riserva di proprietà favore del FABBRICANTE permane anche nei confronti dei terzi ove la legge lo consenta.
- 6.2 In caso di mora dell'Acquirente il FABBRICANTE potrà, senza necessità di alcuna formalità, compresa la messa di mora, ritirata tutta la merce oggetto di riservato dominio ed eventualmente, se la legge lo consente, tutti i titoli di credito verso terzi ad essa afferenti, con riserva di ogni ulteriore opportuno rimedio in via giudiziale per il pregiudizio subito.

7.0 FORZA MAGGIORE

- 7.1 Il FABBRICANTE non è responsabile nei confronti dell'Acquirente per ogni inadempimento, compreso la mancata o ritardata consegna, causata da eventi al di fuori del suo ragionevole controllo quali, a titolo meramente indicativo, mancata o ritardata consegna dei materiali di lavorazione da parte dei fornitori, guasti agli impianti, scioperi ed altre azioni sindacali, interruzione dei flussi energetici, sospensione o difficoltà dei trasporti.

8.0 DIRITTO APPLICABILE - FORO COMPETENTE

- 8.1 I contratti di vendita all'esportazione cui sia parte il FABBRICANTE sono regolati dalla legge italiana, ed in particolare dalla Conservazione sui Contratti di Vendita Internazionali dei beni mobili, ove non derogata dalla presente CONDIZIONI e dalla convenzione di Vienna dell'11 Aprile 1980.
- 8.2 Foro competente per tutte le controversie relative alle vendite di PRODOTTI da parte del FABBRICANTE e dei rapporti connessi a tali vendite è IL FORO della sede legale del FABBRICANTE anche qualora l'azione promossa riguarda titoli di credito rilasciati al fabbricante quali mezzi di pagamento.

GENERAL SALES CONDITIONS

1.0 APPLICABILITY CONDITIONS

- 1.1 These General conditions (the CONDITIONS) constitute the most important part of each contract of sale of tiles and any other ceramic materials (the PRODUCTS) in which DECOR UNION 2000 (the MANUFACTURER) is one of parties. Excepted single cases which they have been derogated by explicitly written agreements signed by the MANUFACTURER, they will constitute the exclusive discipline of such sales. If one or more parts of these conditions, or of single contracts including them, result to be invalid, the general or the particular CONDITIONS will remain valid as whole: invalid parts will be substituted through agreements that are as close as possible to the original will of the parties.

2.0 CONDITIONS OF THE CONTRACT OF SALE - DELIVERY

- 2.1 The contract is intended to be concluded at the moment in which the written contest of the counterpart has come to the knowledge of the proponent and of the person ordering the contract.
- 2.2 The order that has not been confirmed in writing cannot be considered accepted in any case, except for the performance of the contract itself by the MANUFACTURER through shipment or delivery of the PRODUCTS. The partial delivery of ordered PRODUCTS doesn't involve that the whole order has been accepted, but only that part of PRODUCTS actually delivered.
- 2.3 Except a different written agreement, the delivery of PRODUCTS in Italy or abroad will take place "ex-works".
- 2.4 Except a different written agreement, all the dates given as delivery dates are intended in an indicative sense.

3.0 CHARACTERISTICS OF THE PRODUCTS - WARRANTY - COMPLAINTS

- 3.1 Ceramic tiles and other CERAMIC products produced by the MANUFACTURER comply with European norms UNI-DIN-EN. The MANUFACTURER sells exclusively to professional resellers that are responsible for the accuracy of technical informations given to final users and/or to retailers. The classification of product is indicated by the MANUFACTURER on advertising material and/or on price lists. Therefore the purchaser must use the PRODUCT according to the classification given by the MANUFACTURER. To facilitate the directions for the use of products and to adapt standards qualifications to the specificity of the production, marks connected with each single product are put in price lists and catalogues, indicating the specific use advised by the MANUFACTURER.
- 3.2 Differences in the tone are not defects of the PRODUCT but a characteristic of the specific material fired at high temperatures. The particular requisite of frost resistance is applied only to those PRODUCT explicitly guaranteed by the MANUFACTURER with the relative indication on advertising material and/or price list. In case this indication is not given, ceramic material are considered only and exclusively for indoor use or use in places protected from bad weather.
- 3.3 Ceramic materials with polished surface can never be used in places located on the ground floor with access outside or in places with great pedestrian traffic. In addition polished tiles are susceptible for a certain slipperiness especially when they are wet. The MANUFACTURER advises therefore not to use them in public places. In places with great pedestrian traffic the purchase will have to buy only those PRODUCTS classified by the MANUFACTURER as PEI V, and in particular those tiles that the MANUFACTURER advises SPECIFICALLY for use in public places.
- 3.4 The pictures of the PRODUCTS on leaflets and on other advertising material by the PRODUCER are only illustrative and they do not represent necessarily the final aesthetic result of laying of the PRODUCT.
- 3.5 The MANUFACTURER guarantees the good quality and the absence of defects of the products supplied, the warranty is not applied to those PRODUCTS classified by the MANUFACTURER as non first quality products or to lots of PRODUCTS of the end of a series, sold in bulk and pointed out as special lots. However 5% tolerance is provided.
- 3.6 The MANUFACTURER is not responsible for defects and/or anomalies found out in the PRODUCTS that are not due to their quality, but to an improper use of them by the purchaser and/or by their assignees. In particular the MANUFACTURER doesn't accept complaints or contestations concerning the above mentioned situation.
- 3.7 Complaints must be communicated by the purchaser to the MANUFACTURER within 8 days from the delivery of goods. In case of defects, the term is 8 days from the discovery. In any case the MANUFACTURER is not responsible for the defects denounced 12 months after the delivery of the PRODUCTS to the purchaser. In case of hidden defects the warranty is applied to up 2 years after the delivery of the PRODUCTS on the first purchaser. The denunciation of defects must be notified to the MANUFACTURER within and not later than 8 days from the discovery.
- 3.8 In general the warranty is applied only for defects found out in products that have not yet been lied. In case of hidden defects, detectable only after lying it's necessary for the MANUFACTURER to verify that the lying has been carried out duly (conforming to DIN 1852).
- 3.9 The MANUFACTURER's warranty is limited to the substitution of faulty PRODUCTS with other products of the same model without defects, freight included. The reimbursement of other expenses or additional costs, and in particular demolition costs and money paid for a second laying of the PRODUCTS is excluded. In any case the MANUFACTURER's warranty cannot exceed 5 times the value of the contested material, with an absolute maximum of 10.000 €.
- 3.10 The MANUFACTURER is not responsible for complaints due to classifications of the ceramic material by foreign bodies for control and/or certification that is different from the Italian one, according to technical specifications that don't correspond to those used by the MANUFACTURER. In case of technical expertise acted by the purchaser, this must be necessarily on the conformity of the sold material with the specifications indicated by the MANUFACTURER in force in Italy.

4.0 PRICES AND CONDITIONS OF PAYMENT

- 4.1 The sale prices of PRODUCTS are those indicated in the price list of the MANUFACTURER in force at the moment of the confirmations of the order. In case of contracts of sale and delivery of goods divide in parts, and there is no written agreement on the subject, the price is the one indicated in the price list in force at the moment of the delivery of each single portion of goods. For all the PRODUCTS destined to the foreign market prices can be calculated at MANUFACTURER's choice in the foreign currency of the destination country or Euro.
- 4.2 Every bank and negotiation costs have to be debited to the Purchaser. In case of delay in the payment the MANUFACTURER has the right, without necessity of putting into Mora to cash a moratoria interest amount to the official discount rate in Italy, plus 5%, apart from economical damages occurred.

5.0 MANUFACTURER AGENT

- 5.1 The MANUFACTURER's agents promote sales but are not authorized to act in the name and on behalf of the MANUFACTURER except in case of a specific written permission.
- 5.2 The orders transmitted by the agents don't bind the MANUFACTURER. Therefore they must be accepted in writing by the MANUFACTURER.

6.0 RESERVED DOMINION

- 6.1 It's agreed between the parties that the sale of the PRODUCTS is carried out with reserve of propriety in favour of the MANUFACTURER up to the total payment of the agreed price, according to the Italian Civil Code, art. 1523 and following. However the risk of deterioration of the goods passes to the purchaser from the moment of the delivery of the PRODUCTS. In the sales of PRODUCTS abroad, in case of the goods are sold and delivered to third customers before the transfer of title, within the ordinary relations of the purchaser himself, the reserve of property in favour of the MANUFACTURER remains also toward third customers, when the law permits it.
- 6.2 In case of Mora of the Purchaser, the MANUFACTURER can take back all the goods object of reserved dominion without any formality, including the putting into Mora, and if the law permits it, all documents of credit to third people relative to these goods, with reserve of any proper legal remedy for the prejudices suffered.

7.0 SUPERIOR FORCE

- 7.1 The MANUFACTURER is not responsible towards the PURCHASER for non fulfilment, including non-delivery or delay in delivery due to events outside his reasonable control, as for example non-delivery of materials by the supplier, breakdown of plants, strikes or other sindacal actions, interruption of energy supply, interruption or difficulty of transport.

8.0 APPLICABLE LAW - COMPETENT COURTS

- 8.1 The contracts of sale to export in which the MANUFACTURER is one of the party are governed by the Italian law and in particular by the "Preservation of International Contracts of Sale" of movables, where it's not derogated by these CONDITIONS and by the Convention of Vienna (11 April 1980).
- 8.2 The competent court for any controversy concerning the sale of the PRODUCTS by the MANUFACTURER and the trade relation connected with the above mentioned sales is the court of the registered office of the MANUFACTURER even when the legal action started concerns documents of credits released to the MANUFACTURER, as means of payment.

CONDITIONS GÉNÉRALES DE VENTE

1.0 APPLICATION DES CONDITIONS

1.1 Les présentes conditions générales (ci-après les « CONDITIONS ») font partie intégrante de tous les contrats de vente de carreaux et autres matériaux en céramique (ci-après les « PRODUITS ») auxquels participe DECOR UNION 2000 (ci-après le « FABRICANT »). Sauf dérogation expresse par écrit signée par le FABRICANT, elles constituent le seul régime applicable à ces ventes. Si une ou plusieurs parties de ces CONDITIONS ou des contrats individuels qui les incluent s'avéraient invalides, les conditions générales ou particulières resteront valables dans leur ensemble ; les clauses invalides seront remplacées par des stipulations se rapprochant le plus possible de la volonté initiale des parties.

2.0 CONCLUSION DU CONTRAT DE VENTE – LIVRAISON DES PRODUITS

- 2.1 Le contrat est considéré comme conclu lorsque le proposant ou le donneur d'ordre a connaissance du consentement écrit de l'autre partie.
- 2.2 Une commande non confirmée par écrit ne pourra jamais être considérée comme acceptée, sauf exécution de celle-ci par le FABRICANT via l'expédition ou la livraison des PRODUITS commandés ; celle-ci ne vaut acceptation que pour la partie effectivement livrée.
- 2.3 Sauf accord écrit contraire, la livraison des PRODUITS en Italie et à l'étranger s'effectuera selon la formule « Départ Usine ».
- 2.4 Sauf stipulation contraire, toutes les dates de livraison indiquées sont à titre indicatif uniquement.

3.0 CARACTÉRISTIQUES DES PRODUITS – GARANTIE – RÉCLAMATIONS

3.1 Les carreaux en céramique et autres PRODUITS fabriqués par le FABRICANT sont conformes aux normes européennes UNI-DIN-EN. Le FABRICANT vend exclusivement à des revendeurs professionnels, lesquels sont responsables de l'exactitude des informations techniques fournies aux utilisateurs finaux et/ou aux magasins de détail.

La classification du produit est indiquée par le FABRICANT sur le matériel publicitaire et/ou les tarifs ; l'Acheteur devra donc utiliser les PRODUITS selon cette classification.

Pour faciliter l'usage recommandé et adapter les classifications standard aux spécificités de la production du FABRICANT, des symboles indiquant l'usage conseillé sont apposés pour chaque produit dans les catalogues ou les tarifs.

- 3.2 Les différences de teinte ne constituent pas un défaut mais une caractéristique du matériau cuit à haute température. La propriété de résistance au gel s'applique uniquement aux PRODUITS explicitement garantis par le FABRICANT à travers les documents publicitaires et/ou les tarifs. À défaut de cette indication, les PRODUITS sont considérés comme exclusivement destinés à un usage intérieur ou dans des lieux abrités.
- 3.3 Les matériaux brillants ne peuvent pas être utilisés dans des pièces au rez-de-chaussée avec accès direct de l'extérieur ni dans des lieux à fort passage. Ils peuvent être glissants, surtout mouillés ; le FABRICANT déconseille donc leur utilisation dans des lieux publics. Pour les zones à fort passage, seuls les PRODUITS classés PEI V (IV) par le FABRICANT, et en particulier ceux recommandés pour cet usage, doivent être utilisés.
- 3.4 Les représentations des PRODUITS dans les brochures ou autres supports du FABRICANT sont illustratives et ne représentent pas nécessairement le résultat esthétique final après pose.
- 3.5 Le FABRICANT garantit la bonne qualité et l'absence de défauts dans les PRODUITS fournis. La garantie ne s'applique pas aux PRODUITS de qualité inférieure à la première ou aux lots de fin de série vendus en bloc comme spéciaux. Une tolérance de 5 % est cependant admise.
- 3.6 Le FABRICANT n'est pas responsable des défauts résultant d'un usage inapproprié par l'acheteur ou ses ayants cause. En particulier, aucune réclamation ne sera acceptée pour les cas décrits ci-dessus.
- 3.7 Les réclamations doivent être notifiées par l'acheteur au FABRICANT dans les 8 jours suivant la livraison. Pour les vices cachés, le délai court à compter de leur découverte. En aucun cas, les réclamations ne seront acceptées au-delà de 12 mois suivant la livraison. Pour les vices cachés, la garantie est valable jusqu'à deux ans après la livraison au premier acheteur. La notification devra être effectuée au FABRICANT dans les 8 jours suivant la découverte.
- 3.8 En général, la garantie ne s'applique que pour les PRODUITS non encore posés. Pour les vices cachés détectables seulement après la pose, il est nécessaire que le FABRICANT confirme que la pose a été effectuée selon les règles de l'art (normes DIN18352).
- 3.9 La garantie du FABRICANT se limite au remplacement des PRODUITS défectueux par des produits exempts de défauts, transport inclus. Les frais annexes, notamment de dépose et de repose, sont exclus. Dans tous les cas, la garantie ne pourra excéder cinq fois la valeur des PRODUITS contestés, avec un plafond de 10 000 €.
- 3.10 Le FABRICANT n'est pas responsable des réclamations fondées sur une classification des matériaux céramiques par des organismes de certification étrangers selon des critères autres que ceux utilisés par le FABRICANT. Toute expertise technique devra se fonder sur la conformité aux spécifications techniques en vigueur en Italie.

4.0 PRIX ET CONDITIONS DE PAIEMENT

- 4.1 Les prix sont ceux figurant dans le tarif du FABRICANT en vigueur au moment de la confirmation de commande. En cas de livraisons échelonnées, le prix applicable est celui en vigueur à chaque livraison, sauf accord écrit contraire. Pour l'exportation, les prix peuvent être fixés en euros ou dans la devise du pays de destination, au choix du FABRICANT.
- 4.2 Tous les frais bancaires sont à la charge de l'Acheteur. En cas de retard de paiement, le FABRICANT est en droit de percevoir, sans mise en demeure, un intérêt moratoire équivalent au taux d'escompte officiel en Italie majoré de 5 %, en plus des éventuels dommages.

5.0 AGENTS DU FABRICANT

- 5.1 Les agents du FABRICANT ont un rôle de promotion commerciale mais ne sont pas autorisés à représenter le FABRICANT sauf autorisation écrite.
- 5.2 Les commandes transmises par les agents ne lient le FABRICANT qu'après acceptation écrite de sa part.

6.0 RÉSERVE DE PROPRIÉTÉ

- 6.1 Il est convenu que la vente est faite avec réserve de propriété en faveur du FABRICANT jusqu'au paiement intégral, conformément aux articles 1523 et suivants du Code civil. Toutefois, le risque est transféré à l'acheteur dès la livraison. Pour les ventes à l'étranger, la réserve de propriété s'applique également aux tiers si la législation locale le permet.
- 6.2 En cas de défaut de paiement, le FABRICANT pourra, sans formalité, reprendre les PRODUITS soumis à réserve de propriété et, si la loi le permet, tous les titres de créance correspondants. Il conserve tous les autres recours légaux pour les préjudices subis.

7.0 FORCE MAJEURE

- 7.1 Le FABRICANT ne peut être tenu responsable de tout manquement, y compris de retard ou de non-livraison, en raison de circonstances indépendantes de sa volonté, telles que retards fournisseurs, pannes, grèves, interruptions d'énergie ou difficultés logistiques.

8.0 LOI APPLICABLE – JURIDICTION COMPÉTENTE

- 8.1 Les contrats internationaux de vente auxquels participe le FABRICANT sont régis par le droit italien, et notamment par la Convention des Nations Unies sur les contrats de vente internationale de marchandises (Vienne, 11 avril 1980), sauf dérogation dans les présentes CONDITIONS.
- 8.2 Le tribunal compétent pour tout litige relatif à la vente des PRODUITS par le FABRICANT est celui du siège social du FABRICANT, même pour les litiges concernant des effets de commerce utilisés comme moyen de paiement.

PROVE MATERIALI CERAMICI

testing ceramic materials

Determinazione delle caratteristiche dimensionali 1 marmetta 300x300	UNI EN ISO 10545-2
Determinazione dell'assorbimento d'acqua, della porosità apparente e della densità apparente	UNI EN ISO 10545-3

AVVERTENZE DI POSA

warning for laying

CONTROLLARE SCELTA, CALIBRO E TONO PRIMA DELLA POSA VERIFICANDO I DATI DELLA SCATOLA. NON SI ACCETTANO RECLAMI PER MATERIALE POSATO.
Kindly check: choice, caliber and shade before effecting the laying, please check the data on the box. We do not accept claims for the already laid material.

LA POSA DI MATERIALE DIVERSO DA QUELLO ORDINATO O DIFETTOSO SIGNIFICA L'ACCETTAZIONE DELLE CARATTERISTICHE QUALITATIVE ED ESCLUDE CONTESTAZIONI.

The laying of material which is different from the ordered one or defective means the acceptance of the quality features and excludes any complaints.

LA GARANZIA È LIMITATA ALLA SOSTITUZIONE DEL MATERIALE EVENTUALMENTE RICONOSCIUTO DIFETTOSO. LA POSA RICHIEDE L'UTILIZZO SOLO DI PERSONALE ALTAMENTE SPECIALIZZATO. TUTTI I MATERIALI DEVONO ESSERE POSATI CON FUGA.

The warranty is limited to replacement of the material that may be recognised as defective. The installation requires highly specialized personnel only. All materials must be laid with grout lines.

LA RIPRODUZIONE DEI COLORI DI STAMPA È INDICATIVA. NON SI ACCETTANO RECLAMI IN MERITO AD EVENTUALI DIFFERENZE TRA STAMPA TIPOGRAFICA E PRODOTTO.

The reproduction of all printed colours is approximate. Any complaints concerning possible differences between printed pictures and real products will not in any way be accepted.
