**Minimalism acquires fresh, delicate shades in a new retro concept on a matt, soft, silky surface. Flora, the new Marazzi white-body wall covering, evokes the purity of times gone by and is the ideal beautifier of design schemes with a modern mood, in both residential and commercial contexts. 4 powdery, extremely delicate colours – Bianco, Rosa, Azzurro and Verde – are matched with the 3D Spike structure, with a tone-on-tone geometrical pattern, and the Lawn floral decor, which incorporates all the colours of the plain tile combined with exquisite relief inclusions of shiny grit, applied during production by the Touch technology. A versatile collection, intended for fresh, sophisticated interiors and the perfect pairing with the Marazzi range of floor coverings, from wood look through to the stone and marble looks.**
