New Walls

Cromie tenui, strutture e decori delicati per 3 collezioni da rivestimento nel nuovo formato 30x90 cm. Work s'ispira al cemento industriale riproposto in 3 colorazioni soft, da abbinare alle strutture 3D o ai decori ispirati alle vecchie cementine, per ambienti moderni e sofisticati. Dover ricorda una pietra dal movimento grafico armonico, arricchito da piacevoli strutture 3D nei colori White, Grey e Beige. Pure trasmette purezza e luminosità attraverso una vibrazione di bianchi con finitura satinata e lucida.

Muted colours and delicate structures and decors for 3 wall tile collections in the new 30x90 cm size. Work is inspired by industrial concrete, reworked in 3 soft shades, for combination with the 3D structures or the decors inspired by the old cement tiles, for modern, sophisticated interior designs. Dover recalls a stone with attractive patterning, enhanced by tasteful 3D structures, in the White, Grey and Beige colours. Pure conveys a gleaming purity through vibrant whites, with satin and glossy finish.

Des colorations suaves, des structures et décorations délicates pour trois collections murales dans le nouveau format 30x90 cm. Work reproduit l'aspect du béton industriel en trois nuances douces, à poser avec les structures 3D et les décorations reprenant l'allure des anciens carreaux de ciment pour composer des cadres modernes et sophistiqués. Dover fait penser à une pierre à la texture graphique harmonieuse, étoffée de superbes structures 3D dans les couleurs White, Grey et Beige. Pure exprime pureté et luminosité en faisant vibrer les blancs à la finition satinée et brillante.

Gedeckte Farben, zarte Strukturen und Dekore: 3 Wandfliesenkollektionen im neuen Format 30x90 cm. Work ist von Industriebeton in drei dezenten Nuancen inspiriert und gestaltet in Kombination mit 3D-Reliefs oder Zementfliesendekoren moderne, elegante Raumwelten. Dover weist harmonische Strukturverläufe auf, die an das Materialbild von Gesteinsflächen erinnern, und wird von ruhigen 3D-Reliefs in den Farben White, Grey und Beige ergänzt. Pure überzeugt mit einer reinen, hellen Ausstrahlung, hervorgerufen durch schimmernde Weißtöne in einer seidenmatten und glänzenden Optik.

Tonalidades tenues, estructuras y decoraciones delicadas en tres colecciones para revestimiento en el nuevo formato de 30 x 90 cm. Work se inspira en el cemento industrial propuesto en tres coloraciones suaves, que combinar con estructuras tridimensionales o decoraciones inspiradas en las viejas baldosas hidráulicas, para ámbitos modernos y sofisticados. Dover recuerda una piedra de dinamismo gráfico armonioso, enriquecido por agradables estructuras tridimensionales en los colores White, Grey y Beige. Pure transmite pureza y luminosidad a través de una vibración de blancos con acabado satinado y brillante.

Мягкие цвета, нежные рельефные элементы и декоры характеризуют 3 коллекции облицовочной плитки, выпускаемые в новом формате 30x90 см. Источником вдохновения коллекции Work является промышленный цемент, предложенный в 3 мягких цветах и сочетающийся с рельефными элементами или с декорами, воспроизводящими старую декоративную цементную плитку для оформления современных и утонченных интерьеров. Коллекция Dover напоминает камень с гармоничным графическим мотивом, дополненным приятными рельефными элементами цвета White, Grey и Beige. Pure создает ощущение чистоты и яркости с применением белых тонов с матовой и глянцевой отделкой.
