Resin

Resin is the new porcelain stoneware collection that extends the range of large resin-effect slabs with the introduction of the 60x120 cm format, designed for compact spaces. The soft, satin surfaces reinterpret resin in a ceramic key, with a clean and contemporary aesthetic. Available in five solid colors – Bianco, Avana, Grigio, Verde, and Azzurro – Resin offers tone-on-tone or contrasting combinations, ideal for minimal and sophisticated settings. The R9 surface guarantees functionality and safety. Perfect for floors and walls, Resin naturally pairs with the small formats of collections such as Luz and Lume, creating coordinated and modern spaces.
