The colour assortment comprises four warm and one cool shades in floor tiles, in sizes 100x100, 60x120, 60x60, 30x60 and 45x45, and four wall-tile shades, in the 30x90 module. The decor tiles, the Match 3D structure with a chiselled stone look and Oleander Touch with exquisite relief grit inclusions achieved using the Touch technology, are available in the same size. The two surfaces, Natural R9 and Structured R11, allow the materials to be used both indoors and outdoors, also in sophisticated total look compositions.
