

Slow Cold

MARAZZI

SLOW COLD

Slow Cold

The Slow series now acquires a range of grey shades, and in Slow Cold it explores cold colours. While the collection's rammed earth effect gives it a tactile yet elegant look, suited to a minimal, contemporary interior design style, the uneven, slightly variegated texture evokes an aesthetic inspired by nature, which celebrates the beauty of the unfired material.

Produced using the 3D Ink technology, Slow Cold is available in sizes 120x120, 60x120 and 60x60 – R9 and R10 surfaces – 75x150 and 75x75 on R9 surface, in the six colours Gesso, Nebbia, Cromo, Cemento, Salvia and Piombo. From white to pale grey and from greige to anthracite, by way of grey-green hues, these six tasteful, understated shades fit perfectly into refined, recherché interior design schemes.
