Essenzia nasce dall'idea di creare una collezione singolare, capace di andare oltre l'ordinario. Il grès porcellanato dà forma ad uno stile unico, unendo la raffinatezza dei colori naturali alla texture effetto terra cruda che richiama la tradizione storica delle facciate sarde e dell'arte della tessitura.

Le tipiche tecniche di tessitura degli arazzi sardi (*pibiones*), messe a punto da dediti artigiani locali, vengono reinterpretate in chiave iconografica nel cuore della struttura delle superfici ceramiche. Essenzia racchiude in sé l'identità sarda e le sue molteplici sfaccettature culturali, artigianali e simboliche.

Essenzia comes from the idea of creating a singular collection, able to go beyond the ordinary. The porcelain stoneware gives shape to a unique Sardinian style, combining the refinement of natural colours with the raw earth effect texture that recalls the historical tradition of Sardinian facades and the art of weaving.

The typical weaving techniques of Sardinian tapestries and carpets (*pibiones*), developed by dedicated local craftsmen, are reinterpreted in an iconographic key at the heart of the structure of the ceramic surfaces. Essenzia embodies island identity and its diverse cultural, craft and symbolic nuances.

Cameo 60 x 120 / Noa 20 x 120

The image shows the interior of a bakery named "Noa's Bakery". The counter is covered in a repeating geometric pattern of small squares. Behind the counter, there are shelves filled with various breads. A sign above the counter reads "Noa's Bakery". The walls are made of large, light-colored panels. There are several large, wire-mesh pendant lights hanging from the ceiling. A white chair is visible in the foreground on the left. A laptop is on the counter to the right.
