Mayari, a Cuban city surrounded by charming valleys, high mountains and big wetlands, is a land of contrasts. The Mayari collection by Metropol is inspired by the city's lush natural surroundings, with a wood design conceived to bring warmth and distinction to a wide variety of different settings.

En un territorio de contrastes y bellezas naturales se asienta Mayari, una ciudad cubana rodeada de hermosos valles, altas montañas y extensos humedales. Inspirada en la riqueza natural de esta ciudad, nace la colección Mayari de Metropol, una madera que infunde calidez y un toque de distinción en todo tipo de ambientes.

C'est dans un territoire de contrastes et de beauté naturelle que se dresse Mayari, une ville cubaine entourée de vallées splendides, de hautes montagnes et de vastes zones humides. S'inspirant de la richesse naturelle de cette ville naît la collection Mayari de Metropol, un bois qui insuffl e chaleur et distinction à toute sorte d'ambiances.

Die kubanische Stadt Mayari liegt in einem Gebiet voller Kontraste und natürlicher Schönheit, umgeben von herrlichen Tälern, hohen Bergen und ausgedehnten Feuchtgebieten. Und mit der Inspiration der natürlichen Reichhaltigkeit dieser Stadt entstand Mayari von Metropol, eine Holzoptik, die in Atmosphären aller Art Wärme und einen Hauch Distinktion verbreitet.
