# FORME E MATERIA.

## SHAPES AND MATTER.

I moduli ALLBLACK, fondi e decorazioni, mettono in luce i movimenti grafici delle pietre di riferimento. Le sfumature direzionali disegnano le grandi superfici 60x120 cm e contemporaneamente vivacizzano i formati più contenuti.

The ALLBLACK modules, plain tiles and decorations showcase the graphic variegation of the reference stones. The directional shade variations pattern the large 60x120 cm surfaces and simultaneously give vibrancy to the smaller sizes.

**FORMES ET MATIÈRE.**  
Les modules ALLBLACK, fonds et décorations mettent en valeur les mouvements graphiques des pierres de référence. Les dégradés directionnels dessinent l'aspect des grandes surfaces 60x120 cm, tout en animant les formats plus petits.

**FORMEN UND MATERIAL.**  
Die Module von ALLBLACK, Grundfliesen und Dekorationen, bringen die Linien und Strukturen ihrer Gesteinsvorlagen zur Geltung. Die in eine Richtung orientierten Farbverläufe gestalten die Großformate 60x120 cm und beleben zugleich die kleineren Formate.
