## Porcelain stoneware surfaces. Where Italian design meets German quality.

### Who we are.

We are part of the Italian Iris Ceramica Group, one of the world's leading high-end suppliers of ceramic surfaces.

In our two production sites in Vetschau (Germany) and Castellarano (Italy), we manufacture premium ceramic surfaces, that follow the highest standards in quality, sustainability, and innovation.

### What we do.

We are specialized in the production of porcelain slabs in standard and large formats as well as special pieces. Our product range covers ceramic solutions for indoor and outdoor applications offering an exclusive range of colors, finishes, effects, formats, and thicknesses.

### How we do.

We are passionate about rethinking standards and embrace customer needs and change as opportunities to optimize our competence in ceramic craftsmanship.

Everything we do is based on our values, which we consistently prioritize in our product development:

#### Quality.

We provide our customers with premium porcelain surfaces that meet the highest demands of design, functionality, and durability.

#### Sustainability.

We are committed to minimizing our impact on the environment through sustainable production practices, responsible sourcing of raw materials and waste reduction.

#### Innovation.

We constantly improve our products and services to meet customer and market demands.

### Let's start a project.

**Together.**

Collection: Silk Stone | Color: White Satin

# Silk Stone.

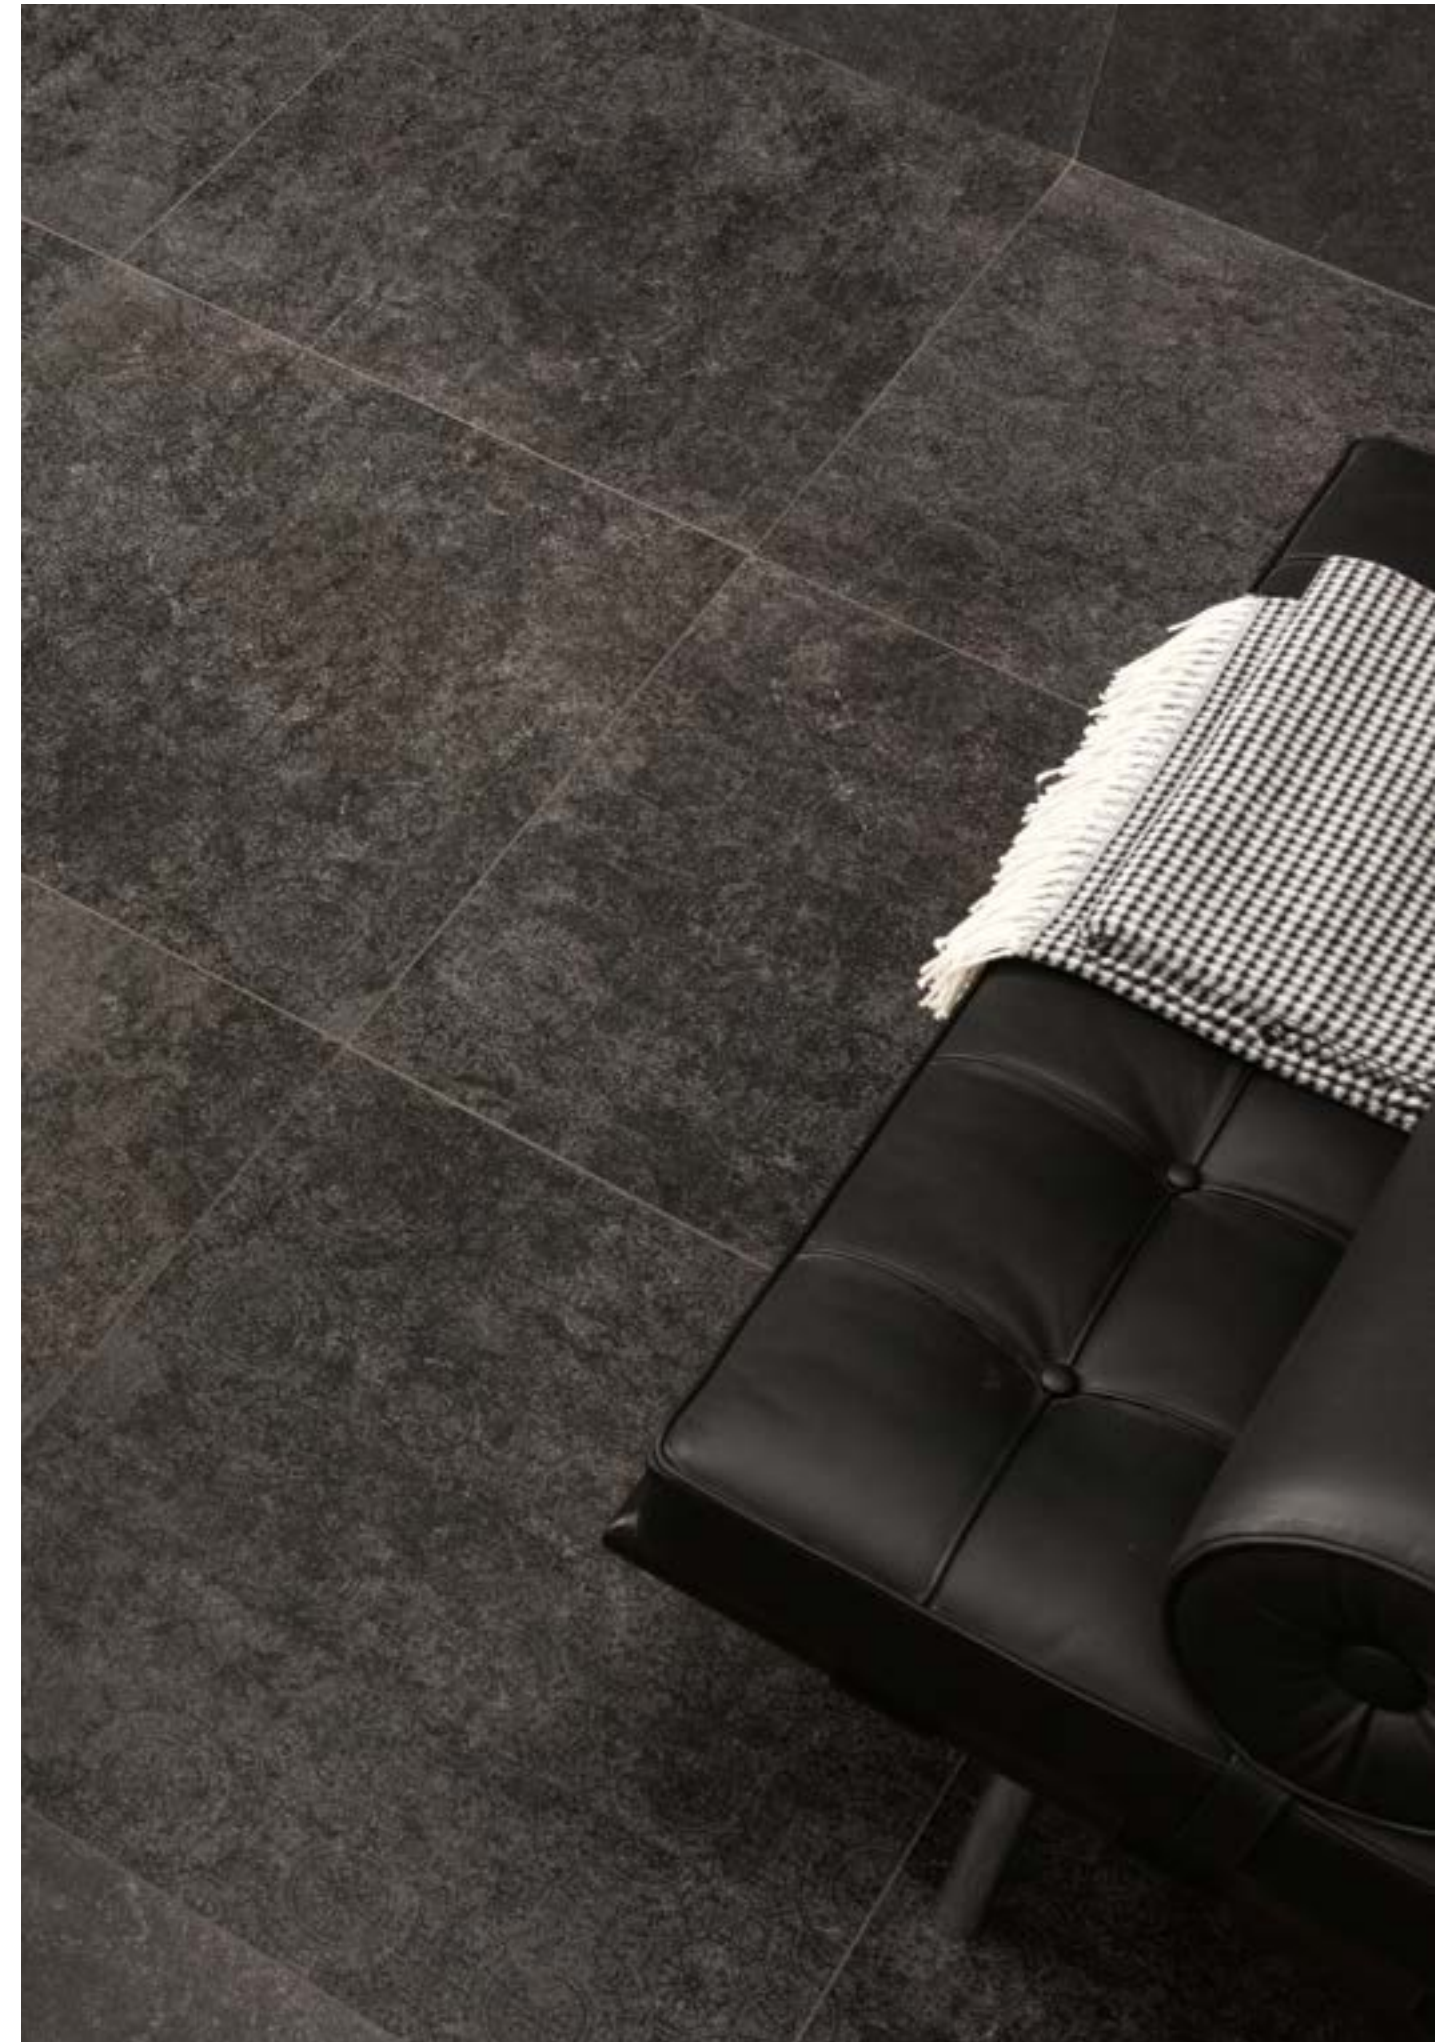

**Silk Stone gets inspired by the beauty of natural stone, combined with the delicate lightness of silk. It is the result of a harmonious blending of opposites, allowing for the genesis of exciting and unique solutions.**

This one-of-a-kind collection includes a tone-on-tone decor in a light and in a dark version, with ornamental motifs that enrich the porcelain slabs. This adds a fresh, delicate taste to the surface, which turns into a beautiful textured carpet.

Beautifully designed, the fusion between the ethereal touch of silk and the rugged charm of stone gives rise to an elegant and minimalistic ambience.

# Material essence.

## A remarkable journey where artistry meets sustainability.

Characterized by a very soft stone look and a satin finish, Silk Stone offers a palette of warm and natural colors that visually recall the gentle appearance of limestone and the elemental nature of materials to combine Silk Stone with, such as wood and raw earth.

Discover the exquisite beauty of surfaces that reinvent nature's masterpieces, all while honoring our commitment to the planet we cherish.

Together, let's create spaces that not only captivate the eye but also nurture the soul.
